2 Each tender must be accompanied by a deposit of Rs..... deposited in Government Treasury under "Revenue Deposits" and duplicate challen should be enclosed with the tender. Mysore Government Bonds duly endorsed at full value or market value whichever is less will also be accepted as earnest money.

3 Tenders should be submitted in duplicate for each work separately and if there are any difference in rates quoted in between the original and duplicate the lower of the two will be taken for consideration.

4 Rates should be quoted against each item of work both in figures and words and should hold good till the acceptance of the tenders by the competent authority. The rates quoted will not be enhanced under any circumstances.

5 Tenders not accompanied by the Treasury Challen for having credited the earnest money will be rejected.

6 No conditional clauses will be accepted.

7 Sales-tax and income-tax clearance certificates duly authenticated should be attached to the tenders, failing which such tenders will be rejected.

8 The rates quoted with conditions such as "subject to fluctuations", etc., will not be accepted.

9 The submission of tender by the Contractor implies that he has read the notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

10 The tenders will be opened in the presence of such tenderers who wish to be present at the time of so doing.

11 The name of the successful tenderer whose tender has been accepted will be notified on the office notice board of the Executive Engineer, No. 3 Sanitary Division, Davangere. No enquiries regarding the acceptance of the tender or otherwise will receive attention.

12 Tenderers should be of persons with experience of laying larger size water mains and sub mains.

13 The final acceptance of the tender will rest with the competent authority who reserves the right of acceptance or reject the lowest or any other tenders and also distribute the work if found necessary among several contractors at the lowest rates received with the tenders, milewar in the case of pipe line work.

14 The rates quoted should hold good for conveying those pipes within a radious of 200 ft. No extra lead charges will be paid for conveyance of pipes within this range.

15 The work should be executed as per the specification in force in the Department.

16 All overwriting and corrections while submitting the tenders should be attested by the tenderer.

17 The contractor should arrange to keep the premises tidy immediately the work is completed in each section. No extra charges will be paid for this work.

18 The successful tenderer should bind himself to abide by the departmental rules in force and should execute the necessary mutchilika within a fortnight from the date of receipt of the intimation of acceptance of his tender, failing which, his earnest money will be forfeited and his contract will be treated as cancelled. The earnest money of the contractor whose tender is accepted will be retained as security deposity and those of others will be returned after the acceptance of the tenders or only after the lapse of two months from the date of receipt of tenders as notified.

19 Copies of contract documents, schedules and drawings may be seen at any time at the Executive Engineer's Office, No. 3 Sanitary Division, Davangere on all working days between 11 A.M. and 5 P.M. and between 8 A.M. and 12 NOON on Saturdays.

20 Such of the tenders that stipulated uncalled for conditions of rates for changed specifications other than those for which rates are asked to be quoted are liable to be rejected outright without assigning any reasons whatsoever and the department will be bound only to the conditions in the schedule of contract agreements to be entered into with the accepted tenderer.

21 For non-estimated and non-tendered items of work executed if need be, it will be paid as per the current minimum schedule of rates or as per data worked out during execution and approved by the competent authority.

22 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

23 In the event of the tender being submitted by a rm, it must be signed separately and severally be each mber thereof, or in the event of absence of any partner, ust be signed on his behalf by a person holding power ttorney authorising him to do so.

The work should be completed and handed over in condition to the P.W.D. by the end of.....after nce of tender failing which, the Executive Engineer shall levy a penalty upto 2½ per cent on balance of works per month of delay, and will be recovered from the contractors outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over. The monthly progress shall not be less than Rs.....per month.

25 The contract should not be sublet.

26 All materials, tools and plant and machinery, that will be supplied by the Executive Engineer, in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer. The tenderer will pay the hire on tools, plant and machinery as per rules from the date of taking over of such machinery, tools and plant from the stores to the date of return thereto, such dates being the dates of acknowledgements of the vouchers in each transaction.

27 The contractor should arrange for the payment of royalty and tolls and other duties payable by him.

28 Materials such as cement, steel, lead, yarn, if available in the Division or Sub Division Stores costing more than Rs. 50 will be issued to the approved tendered contractor from the stores on payment of cash only at current issue rates at the time of issue of materials to contractor.

29 No claims for damages for delay caused by officers of the department in the execution of the work will be considered, whatever may be the reasons for such delays. Contractors should bear this in mind while tendering for the work. Extension of time due to delays caused by the departmental officers will however, be considered on the merits of each case. No extra claim or enhancement of rate will be allowed due to unavodiable delay for the supply of materials like cement, steel and lead, etc., by the Department.

30 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

31 The tenderers should arrange to afford all facilities free of cost, for testing the lead joints, section by section by the departmental officers, during the period of 3 months after the line is charged if any defects are noticed, they will have to be rectified by the contractor at his own cost after which the final claims will be settled.

32 The contractor should at his own cost provide all necessary scaffolding centering, labour and appliances of hoisting such as pully block, tripods, wrenches, guny ropes, caulking and packing tools, etc., required for the work.

33 Proper arrangements for barricading, lighting, arranging for watchmen along the pipe line and specially in the main road and at the crossing for protection-convenience and safety of traffic, should be provided by the tenderer at his own cost, failing which, the contractor will be responsible for any accident and any negligence at his part and cost of such arrangements made by the department in this behalf will be recovered from the bill of the contractor.

34 At the time of acceptance of the tender, the accepted tenderer will be intimated when the lead and yarn would be supplied departmentally or not. If it is the contractors supply the quantity of lead and yarn, must be got approved by the department. The lead should be B. M. refined.

35 Afford facilities to any other parties employed on the work by the P.W.D. so that their work may also proceed during the progress of the work, and give such persons the use of ordinary scaffolding and ladders.

36 In case the contractor ceases to abide by the terms of contract at any time before completing the work, he shall be bound to made good any loss to Government, which may arise from the cessation in addition to his surrendering of his security deposit which will be forfeited to Government.

37 The rates to be tendered by the contractor should include sales-tax or any tax that may have to be paid to Government or any other local bodies.

38 The contractor is responsible for all accidents to workmen, etc., on the work and he must take precaution against all such risks of accidents and if necessary, provide for the same by insurance at the proper time and pay compensation of the injured labourers.

CONDITIONS.

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of the technical data for the equipment offered, together with description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 3 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following:—

(1) Cancellation of the indent or order in part or in whole;

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified at a sum not exceeding 3 per cent of the value of the

order, at the discretion of the President, Stores Purchase Committee;

(3) Forfeiture or adjustment of earnest money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee;

(4) Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the Stores Purchase Committee to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit Security Amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Rs. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.

Local Indent No. 16243.

Sub.—Supply of Tarpaulins to Mysore Government Departments during 1956-57

Gentlemen,

No. S.P.C. 6760. I write to state that your quotation dated 25th April 1956, read with your further letters dated 8th and 19th May 1956, received in response to this office enquiry No. 14483, has been accepted and that you may be good enough to enter an order for the supply of Tarpaulins described in the schedule at the price noted therein and arrange to make supplies on the indents received from Mysore Government Departmental Officers and also such others as may require this material, in such numbers as may be required by them from time to time, subject to the following conditions :—

1. All indents should be complied with within a fortnight from the dates of their receipt.

2 The contract will be deemed to be limited to the number of tarpaulins to be actually drawn by the departments.

3. This contract will be in force for a period of one year from the date of this order and the tarpaulins will have to be supplied throughout the said period at the accepted price.

4. No enhancement of price for whatever reasons will be granted during the contract period.

5. Tarpaulins to be supplied should be exact to the sizes required by the departments and strictly conform to the approved sample in quality as well as texture, etc., and should be supplied with eyelets and lashings and also with markings, if necessary, without any extra cost.

6. Defective supplies will be liable to be rejected and such rejected articles should be replaced by correct ones within a fortnight from the dates of rejection. However, if, on grounds of urgency or for any other reasons, such defective supplies are accepted, you should be prepared to accept, in respect of such supplies, such prices as may be determined by this office.

7. In the case of supplies to be made to the Central Stores, Cauvery Power Scheme, Bangalore, you should give free delivery at the said stores and in the case of all other supplies, the term of delivery will be F.O.R. Bangalore and in those cases, you should hand over the R/Rs directly to the departments concerned and not through bank.

8. You should immediately deposit Rs. 200 only to the Personal Deposit Account of Secretary, Stores Purchase Committee, Bangalore, and execute an agreement on a stamp paper of Rs. 1-8-0 value as a security for proper performance of the contract.

9. The bills of cost should be sent in duplicate, duly signed and receipted, to the concerned authorities for arranging payment.

10. The above local indent number should be quoted in all correspondence relating to this order.

11. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or order if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President of the Stores Purchase Committee.

(3) Forfeiture or adjustment of earnest money or/and security deposit in whole or to the extent necessary considereed fit by the President, Stores Purchase Committee. and

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

12. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

Please acknowledge receipt of this order and to the further needful immediately.
